

Certificate of Appreciation

WaterSense thanks

K-Rain Manufacturing Corporation

for contributing to the successes of the WaterSense program by reporting for 2019.

By practicing and promoting water efficiency, you are demonstrating your organization's continued commitment to the WaterSense program.

We are making a difference because we are better together.

A large, dynamic graphic of a water splash or wave, rendered in various shades of blue, spanning the width of the bottom half of the page. It features many small bubbles and a sense of movement.

Veronica Blette

Veronica Blette, Branch Chief, EPA's WaterSense Program
